

**Spring 2011 Technology Forum
Next Generation and Other Emerging 9-1-1 Technologies**

MSP Training Academy - Auditorium

Wednesday, April 20, 2011

The Emerging Technology Subcommittee and State 9-1-1 Office is hosting a 2011 Spring 9-1-1 Technology Forum Wednesday, April 20, 2011. The Forum will be held at the MSP Training Academy located at 7426 N. Canal Road, Lansing, Michigan beginning at 9:30 a.m.

The Forum will feature speakers discussing issues and updates on NG-9-1-1 Technology, state and national legislative issues, narrowbanding, GIS, and new cellular technologies. We believe these presentations will be educational and informative tools as the 9-1-1 system moves into a new age of technology.

The forum will be free of charge and will include lunch, but you do need to **RSVP** no later than Tuesday, April 12, 2011 to Mary Jo Hovey at hoveymj@michigan.gov . Space is limited so your early RSVP is encouraged.
